BRIEF ABSTRACT OF LETTER.

Requests that Dt Treasury Officer may be ordered to receive charge of the Dt Lock up when the Dt medical Officer has to leave the Station Suddenly to render medical aid.

NOTES AND ORDERS.

1 Subd. - In deciding the question of transferring the charge of Dt Lock ups to Treasury Asst Comrs, Govt ordered that the Dt medical Officers should continue to hold charge of Dt Lock-ups and that when a Dt medical officer had to go out of the

the Station on duty he should give timely intimation to the Dt. Magistrate to enable that officer to make the needful arrangements for the charge of the Lock up.

2 The proposal now made by the Senior Surgeon is that when presumably it is not possible to give such timely intimation as required in the order quoted above, the Dt. Treasury Officer should receive charge of the Dt. Lockup in anticipation of the permission of the Dt. Magistrate.

3 Before addressing Govt. the Senior Surgeon consulted the Dt. Magistrates concerned & has forwarded copies of the correspondence. It will be seen therefrom that the Dt. Magistrate of Chittaldroog has no objection to the course suggested & that he has instructed the Treasury officer accordingly. The Dt. Magistrate of Kolar has ordered the Treasury Officer to be ex officio Dt. Lock-up officer during the absence of the Medical Officer. The Dt. Magistrate of Dumkur states that the existing practice is in consonance with the Senior Surgeon's suggestion & that therefore

therefore no further orders are necessary. The Dt. Magistrates of Kadur & Shimoga consider that the proposal is worthy of adoption. The Dt. Magistrate of Hassan points out that the suggestion is inconsistent with para 2 of G.O. of may 1911 and that therefore it is necessary to address Govt.

4 The proposal of the Lk. of prisons may perhaps be approved. The G.O. of 2nd May 1911 will have to be slightly modified by.

5 If the idea is prima facie appd, a draft will be sent up.

[The Dist Magte of Shimoga states that the requisition to the Treasury Asst Commr Shd be made thro' the Dist. Magte when the latter is at Hdqrs. It is not clear why in such a case a requisition Shd be made to the Treasury Asst Commr at all. Under such circumstances the Lock-up Offrs Shd, it seems, address the Dist. Magte himself.] A G.O. is necessary as the wording 2nd Col. 4 is issued by Govt.

To

Offg. Secretary to the Government of
H. H. the Maharaja of Mysore, Genl. and Rev. Deptts.,
Bangalore.

Sir,

Certain inconveniences having been brought to my notice by the District Medical Officer, Shimoga District, in his capacity as officer in charge of the Lock-up, regarding the intimating of his departure from the Head Quarters, to the District Magistrate each time he has to go out, I asked the District Magistrates to kindly inform me if a standing order cannot be left with the Treasury Assistant Commissioners to receive charge of the District Lock-up whenever the District Medical Officer has to proceed to an out station all of a sudden to treat a patient urgently in need of medical advice or attention.

2. Copy of my letter together with copies of replies received by me, are herewith forwarded for favour of perusal.

3. I have the honor to solicit that, in the light of these replies, the Government may be pleased to order that, whenever the District Medical Officer has bona-fide to proceed to an out station all of a sudden to render medical aid, the District Treasury Officer do, in anticipation of the permission of the Deputy Commissioner and

SUBJECTS.

Requesting that the District Treasury officer may be kindly ordered to receive charge of the Distt Lock-up when the Distt Medl officer proceeds to an out station.

District Magistrate, receive charge of the District Lock-up from the District Medical Officer.

I have the honor to be,

Sir,

Your most obedient servant,

J. J. Cruz Fernandes

Senior Surgeon, Mysore Government.

Letter No.3420-25 dated 22nd February 1912 from the Offg Senior Surgeon, Mysore Government, to the District Magistrates of Kolar, Tumkur, Hassan, Shimoga, Kadur and Chitaldrug Districts.

In reference to Government Order No.J.3022-31/Pris. 52-09-10 dated 2-5-11, I have the honor to request to be informed if a standing order cannot be left by the District Magistrate with the Assistant Commissioner in charge of the District Treasury to receive charge of the District Lock-up at a moment's notice whenever the District Medical Officer has bona-fides to proceed to an out station all of a sudden to treat a patient urgently needing medical attendance or advice.

2. It is needless for me to point out that attempts to save the life of a fellow human being are more important than ordinary charge of a lock-up and there may not be any time at the disposal of the District Medical Officer in such cases to give due & timely notice to the District Magistrate or the District Magistrate may be away from the head quarters, when a demand is made from an out station on the Medical Officer's professional services and the Assistant Commissioner without a standing order of the kind from the District Magistrate will be entirely within his province in refusing to comply with the District Medical Officer's request to take charge of the Lock-up.

3. An early reply is requested to enable me to address the Government on the subject.

Letter

Letter No.1528 dated 27th February 1912 from the District Magistrate, Chitaldrug.

Adverting to your No.3420-25 dated 21/22nd February 12, in the matter of issuing a standing order to the District Treasury Officer to receive charge of the District Lock-up at a moment's notice etc., I have the honor to state that I see no objection to the course suggested*and I have instructed the Treasury Officer accordingly.

*in cases so urgent as not to admit of previous orders of the District Magistrate being obtained .

No.J.585 dated 28th February 1912 from the District Magistrate, Tumkur.

I have the honor to acknowledge your letter No.3420-25 dated 21/22nd Instant requesting to be informed if a standing order cannot be left with the Assistant Commissioner in charge of the District Treasury for the immediate relief, whenever necessary, of the District Medical Officer of the charge of the District Lock-up and to state in reply that as it is now notwithstanding any standing orders in this behalf, little or no difficulty is felt by the District Medical Officer in obtaining his timely relief of the charge of the District Lock-up by the Treasury Assistant Commissioner, who at times, in anticipation of instructions from this office, readily complies with the request of the former. This procedure has evidently become a routine one in as much as it is the Treasury Assistant Commissioner alone who is always available being a stationery officer. In exceptional cases, however, whenever the Treasury Assistant Commissioner is also absent from the station special precautions are being taken in arranging for the relief in time of the District Medical Officer on his requisition by deputing any other officer then available on the spot. In these circumstances, no such permanent order on record seems necessary.

Letter No.5834 dated 28-2-12 from the District Magistrate Kolar.

Adverting to your letter No.3420-25 dated 21st Instt enquiring whether a standing order cannot be left by the District Magistrate, with the Assistant Commissioner in charge of the District Treasury, to receive charge of the District Lock-up at a moment's notice, whenever the District Medical Officer has bona-fides to proceed to an out-station all of a sudden to treat a patient &c., I have the honor to reply in the affirmative and to forward herewith for your information a copy of the order issued to the District Treasury Officer, Kolar, on the 15th June 1911, on receipt of Government Order No.J.3022-31/Pris.52-09-10 dated 2nd May 1911.

Letter No.1562 dated 27-2/1-3-12 from the District Magistrate, Kadur District.

With reference to your letter No.3420-25 dated the 21st February 12 requesting to know with reference to Govt Order No.J.3022-31 Pris.5209-10 dated 2nd May 1911, whether a standing order cannot be left by the District Magistrate with the ~~District Magistrate~~ Assistant Commissioner in charge of the District Treasury to receive charge of the District Lock-up at a moment's notice whenever the District Medical Officer has bona-fide to proceed to an out-station all of a sudden to to treat a patient urgently needing medical attendance or advice, I have the honor to state that this may certainly be done.

No.2984 dated 4th March 12 from the District Magistrate, Shimoga.

--

In reply to your letter No.3420-25 dated 22nd Instt, regarding a standing order to be issued to the Treasury Assistant Commissioner for charge of District Lock-up whenever the

the District Medical Officer has to go to out stations for urgent medical attendance or advice, I have the honor to state that your proposal is an excellent one and I fully concur with you in thinking that the saving of human life is more important than the performance of routine duties of a lock-up officer.

I am, therefore, of opinion that a standing order may without any sacrifice of Government interests be issued to the effect that, whenever a requisition is made by the District Medical Officer, the Treasury Assistant Commissioner should take charge of the District lock-up, the requisition being sent through the District Magistrate when he is in head quarters; and direct ~~the~~ to the District Treasury Officer when the District Magistrate is on tour.

No.302/Jail dated 2nd May 1912 from the District Magistrate, Hassan.

--

Adverting to your letter No.3420-25 dated 21/22nd February 1912 enquiring whether a standing order cannot be left by the District Magistrate with the Assistant Commissioner in charge of the District Treasury to receive charge of the District Lock-up at a moment's notice when the District Medical Officer has bona-fide to proceed to an out station all of a sudden to treat a patient urgently needing medical attendance or advice, I have the honor to state that such an arrangement would no doubt be ~~the~~ most beneficial, but is inconsistent with para 2 of Government Order No.J.3022-3/Pris.52-09-10 dated 2nd May 1911.

2. Your suggestion to address ~~to~~ Government on the subject seems therefore necessary.
